§ 1282.63 Annual Housing Activities Report.

To comply with the requirements in sections 309(n) of the Fannie Mae Charter Act and 307(f) of the Freddie Mac Act and assist the Director in preparing the Director's Annual Report to Congress, each Enterprise shall submit to the Director an AHAR including the information listed in those sections of the Charter Acts. Each Enterprise shall submit such report within 75 days after

(b) *Adjustment to correct errors, omissions or discrepancies in AHAR data.* FHFA shall determine the official housing goal performance figure for each Enterprise under the housing goals on an annual basis. FHFA may resolve any error, omission or discrepancy by adjusting the Enterprise's official housing goal performance figure. If the Director determines that the year-end data reported by an Enterprise for a year preceding the latest year for which data on housing goals performance was reported to FHFA contained a material error, omission or discrepancy, the Director may increase the corresponding housing goal for the current year by the number of mortgages (or dwelling units) that the Director determines were overstated in the prior year's goal performance.
